There will be an independent study offering of **Administration in Waldorf Schools** led by Siân Owen-Cruise between October 28, 2017 and February 17, 2018. All students who need the Administrative course to complete their certificate will need to participate in this independent study offering.

Students must attend all sessions of a class to receive credit. Classes will cost \$450 for credit and \$225 for auditing. Students may spread their payments across the year with an agreement with our Business Manager, David Owen-Cruise.
